

Delta Days at the United Nations

The Germany Alumnae Chapter of Delta Sigma Theta Sorority, Inc. proudly participates in the Delta Days at the United Nations initiative, a global advocacy event dedicated to addressing critical social issues on an international scale. Through this initiative, our Sorors engage in discussions and workshops that focus on the United Nations' Sustainable Development Goals (SDGs), including gender equality, poverty alleviation, and access to education. By connecting with global leaders, our chapter amplifies its commitment to advocacy and policy change, reinforcing our impact beyond borders and supporting efforts that create meaningful change in communities worldwide.
