

Speaker Spotlight

DR. DONNA G. IVERY, MD

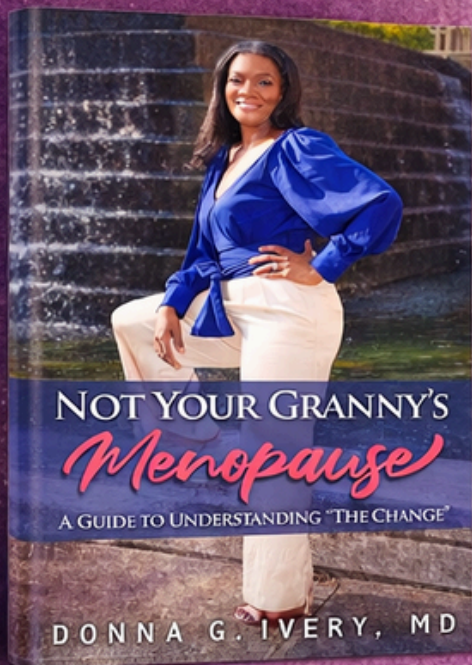

Menopause Expert | Speaker | Author

About Dr. Donna

Dr. Donna G. Ivery, widely known as Dr. Donna G MD – Your Gyne Guru, has spent nearly three decades advancing women’s health. From Johns Hopkins biomedical engineer to Emory-trained board-certified OB-GYN and integrative medicine physician, she has delivered thousands of babies, performed thousands of surgeries, and led thriving practices worldwide.

Today she is a sought-after **speaker**, educator, and author, dedicated to transforming the conversation around menopause into one of empowerment, wellness, and meaningful longevity for women everywhere.
